

Double / Flag Mount Pole for Digital & Square Clocks (V6.0)

Features:

- **Double Mount Configuration:** Provides the option to install 2 clocks for a dual-faced time display suspended from the wall or ceiling
- **Flag Mount Configuration:** Provides the option to install a single clock suspended from the wall or ceiling
- Pole is designed to allow threading of electrical / data wires (if applicable)
- Pole Base Plate is designed to mount on a double gang box
- Pole is offered at either standard height or short height. The standard pole height allows ceiling or wall mounted dual or flag mounted configuration. The short pole option is meant for ceiling mounting only and is used at locations with low ceiling clearance
- Robust Design
- Easy to Install

Dimensions:

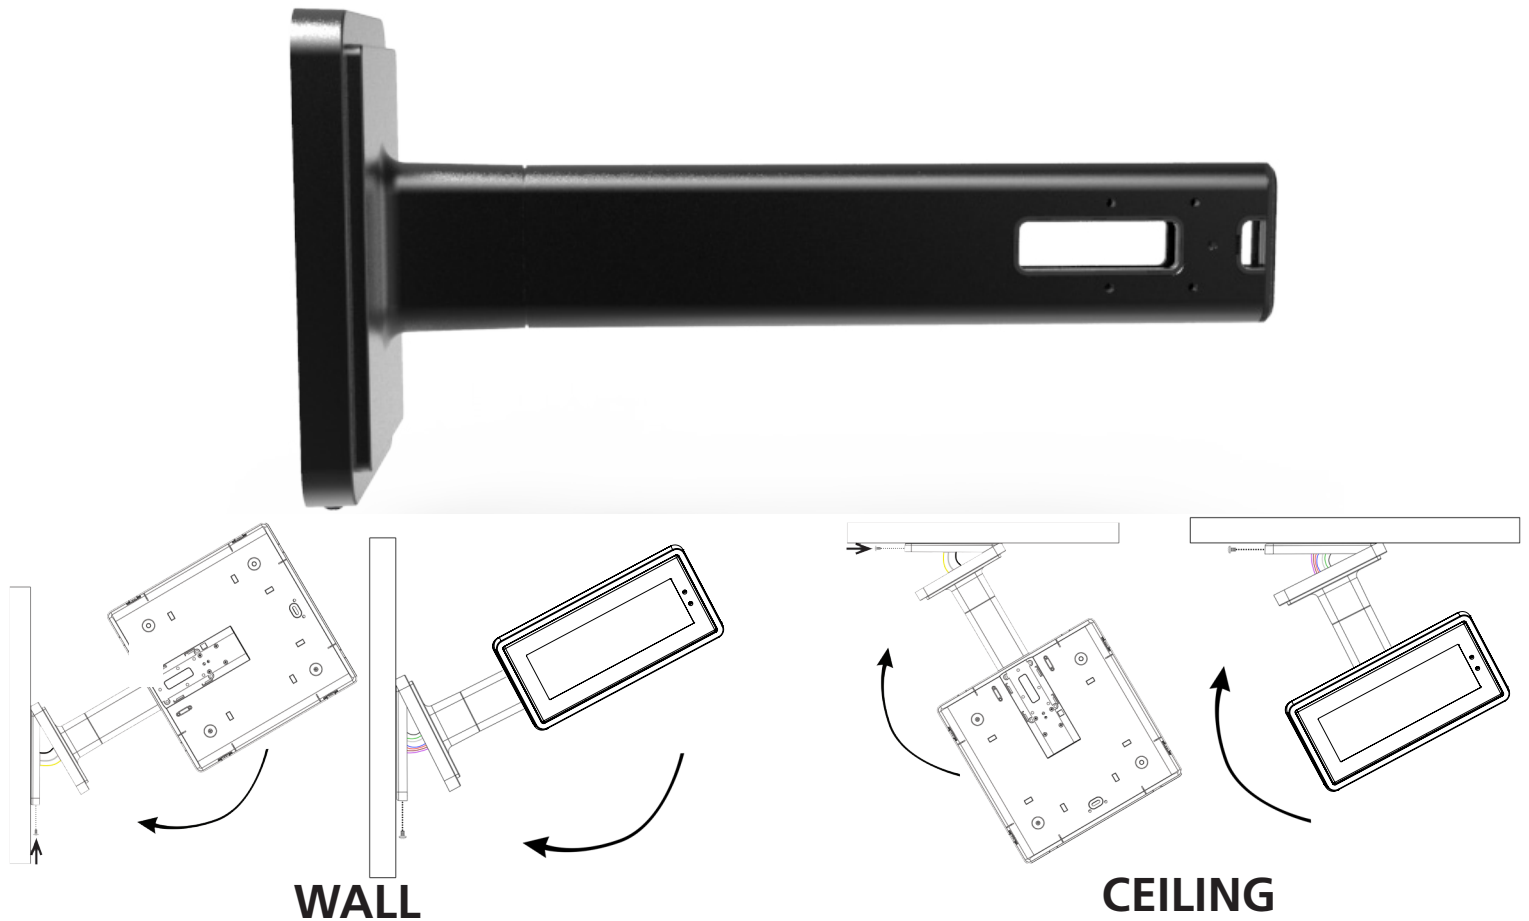

- Base Width = 5.7" (14.5 cm)
- Base Height = 6.6" (16.7 cm)
- Standard Pole Length = 13.7" (34.8 cm)
- Short Pole Length (ceiling mount only) = 7.75" (19.7 cm)
